TERMS OF SALE

1. A 10% Buyer's Premium is added to all invoices.
2. This sale is an unrestricted Public Auction and Mail Bid Sale. All bids are to be entered by lot as numbered in this catalogue. Mail bidders should feel free to bid as much as they wish knowing that we will buy the lot, if possible, below their bid. Thousands of bidders to KATEN SALES can attest to this fact.
3. We make no other charges except the actual cost of mailing, insurance/registration. On books we charge 50¢ per lot (a book dealer now charges \$2.00 per lot). When there is more than one book in a lot we use discretion, but never overcharge you. Minimum charge on books is \$1.00.
4. Bidders unknown to us must send a deposit of 25% of their bids. References are useful for future bidding.
5. We reserve the right to reject any bid from any bidder when we deem a bid not made in good faith. Most dealers want dollar bids only - but we will accept bids with 50¢. Minimum acceptable bid is \$3.00 with increments of 50¢.
6. Auction sales are not approval sales. By submitting your bids you agree to the terms of sale herewith set forth. No lot may be returned without written permission and request must be made within 5 days after receipt of material. No lot may be returned by floor bidders.
7. All books are as described. The actual title in a foreign language is given- the cataloguer may interpret the title which would be in parenthesis. All books are at least in fine condition unless otherwise mentioned. Books are hard bound unless CaC (Card Covers), pb (pamphlet binding), or pc (paper covers) is mentioned.
8. We acknowledge the possibility of errors or typographical mistakes, and any errors on our part will be corrected. Please be careful in placing your bids, as we cannot be responsible for your errors.
9. Auction Sales are for U.S. cash funds. Payment must be made immediately upon receipt of material or upon notification. We reserve the right to demand payment before delivery.
10. Lots delivered in the State of Maryland are subject to a 5% Sales Tax and will be added to the invoice.

"RAW" COINS ARE IN DEMAND....

We feel we must give you some background relative to our three previous auction sales which featured 'raw' coins. These coins had not seen daylight for some 60 years.

This 73rd Auction Sale is Part 4 of this fine consignment and the final group of superb uncirculated and proof coins.

These coins were in the collection of a very learned numismatist, who not only had a fine numismatic library, but who made his own 2x2" envelopes (actually 2¼ x 2¼") and boxes to store his treasures.

This gentleman I am sure, did not realize that one day his coins would be much sought after and fill the empty slots in many collections. The care and storage he provided for these coins has made our presentation a little easier because the condition shown in previous auction sales was met with great enthusiasm. And so in the final auction of these proof coins, proof sets and commemoratives, we thank his heirs for the privilege of handling this group of coins including the "KING OF SILVER DOLLARS" - THE 1895 GEM PROOF.

The Katens wish to thank Julian Leidman for his valuable assistance in the grading of these raw proof coins in this sale. Julian is a Professional Numismatic Dealer and Consultant with 25 years experience, and has assisted in the completion of many fine collections for clients worldwide.

Julian would be pleased to act as a personal representative for anyone wishing to participate at this auction - his commission is 10%.

We saw his advertisement in The Numismatist, April issue and are pleased to reproduce it.

ONE LAST THOUGHT -- FOR ANYONE WISHING TO STAY AT THE DELIGHTFUL MARRIOTT COURTYARD -- WE MANAGED TO GET A \$44.00 RATE -- BE SURE TO SAY "KATEN AUCTION".

Be Sure Your Bid Is Heard

Let us represent you at the major coin auctions. We'll give you a fair shot at the rarities you need for your collection—at a fair price.

(Please allow me to digress for a moment- In 1944 I opened my store in New Haven, Connecticut. One of my customers was born in 1895 and insisted on saving two dates 1885 and 1895. At that time it was not general knowledge that no 1895 silver dollar for general use was obtainable. I was able to find an 1895 dollar in proof and charged him \$175.00. A year later I found another and received \$225.00. Joe Stack told me he sold one for \$250.00. The above coin is my third. FJK.)
